Five-Year BS/MS Computer Science Integrated Program Admission Application

Basic Information

Name:	UT EID:
Address:	
Phone:	Email:
Homepage (URL):	

Application Specifics

For Fall _____ (enter year of application)

Areas of Interest (select up to three areas):

Artificial Intelligence	Formal Methods	Security
Architecture	Graphics	Software Engineering
Bioinformatics	Networks	Systems
Computational Biology	Programming Languages	Theory
Databases/Data Mining	Scientific Computing	

Intended Pathway (Circle one): Thesis   or   Non-Thesis

C S Upper Division Electives

List any C S UDEs that you have taken, including 439 and 331. Please explain why you chose those specific courses and/or professors.

C S 439:

C S 331:

C S ____:

CS   :

CS   :

CS   :

Do you have any credit you have not claimed yet that you plan on claiming? If so, please list them here: (ex. GOV 310L)

Please list your remaining undergraduate coursework and the semesters you intend to take them. This should include the B.S. in CS, any double majors, minors, and/or certificates. Please contact the respective advisors if you have questions about your remaining degree requirements. You may include summer semesters if needed.

Statement of Purpose
Describe your reasons for pursuing graduate study and your academic and professional interests and goals. Save as a PDF and include this when uploading entire application.

References (required 2 references, 3 at max) – same information needs to be completed on Qualtrics
