

# LOCKHEED MARTIN

Lockheed Martin is a global security and aerospace company that employs about 116,000 people and is engaged in the research, design, development, manufacture, integration and sustainment of advanced technology systems, products and services.

The majority of Lockheed Martin's business is with the U.S. Department of Defense and U.S. federal government agencies. Lockheed Martin is the largest provider of IT services, systems integration, and training to the U.S. Government. The remaining portion of Lockheed Martin's business is comprised of international government and commercial sales of our products, services and platforms.
